Partner Application Demo Checklist

Marketplace user assignment/un-assignment

User Assignment/Un-Assignment

1. Log in to ADP Market place and access "My Apps". Move your mouse over your application tile. Click on the cog wheel and select "Assign Users".
2. On the Assign Apps to users page, assign one or multiple users.
3. Marked the assigned users as admin in your application. Respond with success = True to the marketplace event.
4. Then Unassign the same user/users and show they are no longer admins in your solution. Respond with success = True to the marketplace event

Requirement for demo:

Your application should respond with a success to the user assignment events. The marketplace event logs should show a successful response from your application.
