Steps to grant permission

Overview

When a new practitioner user is created in the ADP Workforce Now® sandbox, in order to see employees in the UI you must grant yourself the appropriate permissions.

Steps to grant permission

- Access <https://workforcenow.adp.com>. You may need to use incognito mode.
- Log in to Workforce Now® using your test instance credentials.
- Once you are logged in to Workforce Now® navigate to:
 - Setup --> Security --> Access Permission --> Payroll and People Access
- Lookup your name by providing your first and last name in the search field and press filter.
- Click on your name from the filter results. User access permission screen will be loaded.
- Click on **People Access**, change access to **View & Edit Access to all People**
- Click on **Payroll Processing Access** tab
- Select **All company codes - View & Edit** then click on Save
- You are now able to view and edit all employees and access payroll menu items.
